

St. Paul's Lutheran Child Center July 2018

Child Center News

-Things have been pretty busy around the center so far this summer. The 4's and School Age groups have been combining and doing some pretty fun things. They have had some high school age boys come and show them some soccer moves, had a bike parade for the 4th of July, and been making some awesome projects this summer. Of course, the nice, warm weather has allowed us to get our suits on and have a water day. It sure felt good to cool off with water!

-Swimming lessons and summer school are in full swing as well. Thank you, parents, for letting me know when your children are scheduled to be at different places. Please call if plans change at any time.

-We had planned a night at the Timber Rattlers game, but we have had to cancel it at this time. We tried to reschedule it, but there is too many conflicts at this time.

-We would like to take this time to welcome Adeline Ruth Phillips into the St. Paul's family. Ms Lisa and her husband Justin welcomed their daughter on June 12. We wish God's blessings on them all. We look forward to her baptism on July 15.

Reminders

-Please make sure you have your enrollment form in for the fall session. We offer a 3K and 4K program here at St. Paul's. We will provide academics to prepare your children for kindergarten, but we also have an extra bonus for our families. We center our entire curriculum around God's Word. Watch for more information on how we will provide all this for your child.

-Please make sure you have extra clothes for summer here at the center. We only have a limited amount of extra center clothes. If possible, please bring a swim suit for your child also. If you have one that can stay here, even better! If we are having a special water day the teachers will let you know ahead of time so all the children can participate

Bible Lessons for July

July 2-6: Joseph Forgives His Brothers

July 9-13: Daniel in the Lion's Den

July 16-20: Three Men in the Fiery Furnace

July 23-27: Jesus the Savior is Born

July 30-Aug.3: God Leads the Wisemen to Jesus

Home Visits & Parent Orientation

We will again have home visits for our 3K and 4K families. These help us to all get on the same page when it comes to getting ready for school. Teachers will call and set up times toward the end of July, beginning of August. We will also have a parent orientation for all parents and that is where we will turn in all forms for the upcoming school year.
